

D'YOUVILLE UNIVERSITY COLLEGE OF MEDICINE

At DYU-COM, we are cultivating a culture of excellence, collaboration, and service. Our curriculum and facilities are designed to provide a transformative education, blending didactic teaching with hands-on clinical training. Our faculty and staff are attentive to mentoring and supporting students, guiding them on their journey to becoming healthcare leaders. All the while, we are committed to improving population health, and take pride in serving community in ways which enhance wellbeing and reduce health disparities.
