

STUDENT PERSISTENCE

The student success center (<http://www.dyc.edu/campus-life/support-services/centers/student-success.aspx>) supports and promotes student goals towards degree completion and develops retention interventions that foster student success. The center serves as a student advocate and assists with any issues and problems brought forward by students, taking a proactive approach to reach out to students at risk of falling behind.

Goals of the student success center:

1. Guide and assist students with problem solving and provide awareness of university services available.
2. Encourage successful academic progress and persistence.
3. Provide support to students through the withdrawal/leave of absence process.
4. Provide guidance to those students on academic probation.
5. Utilize student feedback to improve student services.

For assistance or for more information, contact the student success center at successcenter@dyc.edu
